the basket and then click on a button flag when finished. In "Number Recognition" the child must memorize the number of fruits

showing in white rectangle and after the fruits disappear he must choose the number.

In "Ascending Series" and "Descending Series" the child must fill the sequence of numbers in ascending or descending order. In "Addition" the child must calculate additions of two given numbers and then choose answer. In "Subtraction" the child must calculate subtraction of two numbers and then choose the answer.

In "Games":

1. "Match Number to Quantity" the child must count the number of hamburgers and choose the right amount.
2. In "Puzzle" the child must select two matching pictures: the number of objects and the corresponding number and flip them. When two pictures are flipped they are exposed showing part of the puzzle.
3. In "Memory Games" the child must flip two hamburgers and memorize the place where it appeared to be equal to the number. When the child flips the right pair the cards pair disappears.

Unleash Your Inner God and Create a New Universe!. **We're going to Gamescom 2017:**

Hey everyone!

We wanted to let you know that we are going to show a new demo to the public at the 1C Publishing booth in GamesCom 2017, if you haven't played "The Watchmaker" yet, this is your chance to do it!.

See you at Gamescom!.

**. Update v1.36 - stability:**

several improvements and bugfixes. **Patch 1.5.10462:**

Yesterday we have pushed a small Patch 1.5.10462, including:

- Fixed bug with the player not being transported to the hotel, if sitting in the vehicle when permafrost starts.
- Fixed incorrect Achievement progress: players no longer get 'Big Fish' achievement during the tutorial.
- Weather UI fixes.

Cheers!. **Exploration Vessel Naming Contest - The Finals:**

Now that the first phase of the ship naming contest is over, we are one step closer to finding the perfect name for the exploration vessel in Love Thyself Part 2. We have received many suggestions that I am sure Aeternus P02 would be quite pleased with. Thank you all for your submissions!

We have picked the top five appropriate submissions (with the small adjustment of merging Narcissus and Narcissa) to enter the finals. Now it's time to determine the ship's name and the winner of this contest!

The finalists are:

- **Avant-Garde** by Talross
- **Illustrious Visage Eta** by ImperatorTempus42
- **Narcissus** by Argonauty and Aranom (Both players will receive credit for this)

- 
- **Preciso Scalpillum** by Hibbidy\_Jibbidy
  - **His Glorious Light** by Zephram

Greetings, friends! 🤪

So, we share some news over the past week.

**Also soon the game will be updated on Steam. Subscribe if you're interested to try it first!** 🤪

1) Control of two heroes:. **Please wait for a little while longer!:**  
Hey Everyone!

Please bear with us for a little while longer! We're really really close and just working out one final bug 🐛🐛
